# Alliant Energy Foundation

## Volunteer Program

Through the **Volunteer Program**, the Foundation recognizes and rewards personal involvement by current employees and retirees of Alliant Energy and its family of companies.

Program participants who give their own time to support a wide array of causes and events in their communities are eligible to provide grants of up to **\$400** annually to eligible charitable organizations of their choosing.

Grants up to **\$400** will be awarded in the name of an eligible participant

(or anonymously, if the participant chooses) based on the total number of hours volunteered during the 12-month period between July 1 and June 30:

- **50 to 149** volunteer hours = **one \$100 grant** to any one eligible recipient; OR
- **150 to 199** volunteer hours = **one \$300 grant** to any one eligible recipient; OR
- **200+** volunteer hours = **one \$400 grant** to any one eligible recipient.

Grants are awarded once per year for as few as 50 hours of volunteer work per 12-month period. Through this program, the Foundation supports the organizations and causes important to you and recognizes your personal efforts.

If you have any questions or to receive a volunteer program form please contact JoAnn Healy at [joannhealy@alliantenergy.com](mailto:joannhealy@alliantenergy.com) or by calling **1-800-373-1303 ext. 458-5545**. Or visit [alliantenergyretirees.com](http://alliantenergyretirees.com) for more information.

## Matching Gifts

Through the **Matching Gifts Program**, the Foundation matches – dollar for dollar – each direct gift of **\$25** or more (**up to \$10,000**) made to one or more eligible institutions or organizations within a calendar year.

In order to be matched, each gift must be made to a charitable organization holding a current Section 501(c)(3) designation letter from the Internal Revenue Service.

A gift made in support of a library, museum, zoo, etc., which is operated by a governmental entity would also qualify for a matching gift.

### **Some examples of eligible organizations include:**

- Public radio and television
- Public and private schools, Kindergarten - 12th grade
- Colleges and universities, both private and public
- Community and technical colleges
- Cultural arts organizations
- Environmental organizations
- Hospice programs and hospitals
- Historic sites and museums

Your gift must qualify as fully deductible for income tax purposes. Gifts may be made to one or more eligible institutions or organizations within the calendar year but they must be paid, not merely pledged.

If you have questions about a potential gift please visit [alliantenergyretirees.com](http://alliantenergyretirees.com) or contact Bonnie Beach at [bonniebeach@alliantenergy.com](mailto:bonniebeach@alliantenergy.com) or **1-800-373-1303 ext. 458-3828**.

## United Way

As a retiree, you still have the opportunity to participate in Alliant Energy's annual United Way campaign. Your contributions are directed to local United Ways in 88 communities across the service area to support human needs organizations and United Way programs in those areas.

Pledge information will be mailed to you in late July and we hope that you will choose to participate. If you have any questions about this annual campaign, please contact Leah Rodenberg at [leahrodenberg@alliantenergy.com](mailto:leahrodenberg@alliantenergy.com) or by calling **1-800-373-1303 ext.**
